

A portrait of Dr. Robert J. Zehr, M.D., a middle-aged man with short brown hair, wearing a white lab coat over a light-colored shirt and a striped tie. The name "Robert J. Zehr, M.D." is embroidered on the left side of his lab coat.

How you
approach things makes
all the
difference
in the world.

With the direct anterior approach to your hip replacement, you'll have less pain, a faster recovery, more flexibility, and accurate placement.

➤ Fewer than 5% of orthopaedic surgeons are capable of using this approach. Dr. Robert J. Zehr is one of them.

Take the right approach.
